

we are absolutely appalled that the FCC is allowing Sinclair Broadcasting to air a blantly political program on the public airways. Sinclair uses the public airwaves free of charge, and is obligated by law to serve the public interest and should not be using them to spread propoganda that suits their purpose. It is obvious we need to strengthen media ownership rules not weaken them. Sinclair's actions show why we need to strengthen media ownership rules, not weaken them. We are losing our democracy and the FCC is acting as a participant in its demise.

Sincerely,

Irv and Jan Berlin
